### *English Article on Chinese Metaphysic-8*

**Exclusively brought to you by Kerby Kuek**

## **The Importance of Yin and Yang**

Yin and Yang is the basis for everything and it is the foundation of Chinese metaphysic. The Eternal (Wu Chi) transformed to Yin and Yang (Tai Chi) and from Yin and Yang evolved to Four-phenomena, which include four seasons (spring, summer, fall and winter) or four directions (north, east, south and west), it continued to form Eight Diagrams or Pa Kua. I-Ching, the book of changes, described lengthly the Pa Kua symbol and it meaning.

## **Feng Shui is Science!**

Feng Shui involves studying the environment to create desired outcomes that you might not otherwise consider. Just as the subatomic particles that comprise us cannot be separated from the space, time and particles surrounding us, living beings cannot be isolated from the subtle energies of the environment in which we live.

The power of Feng Shui, not as something you do, but as the energy of which you are a part of it.

## **Life is in a queue in line, a queue to face obstacles and challengers**

Life is full of challengers and obstacles, this is the fact. However, if you persist, just like a queue in line your turn will come and there is always a bright light at the end of the tunnel. Face reading provides a clue as to when you will see the light at the tunnel.

### **Face Reading Tips:**

何知爲官一舉超,未發言詞語含笑.

*How do you know he is a good government servant?*

*He smiles before he starts to talk.*

何知突睛殺人惡.,但看當門兩齒落.

*How do you those with bulging eyeballs are ferocious?*

*His two front teeth are missing.*
