**One should keep in mind this reading is relative to previous year unless otherwise stated.**

Generally, a bad year for **health-related issues**, especially related to women and elderly are common to read about in this year newspapers. Beware of stomach indigestive as well as food poisoning cases that might create an unprecedented epidemic. This is also a year of **social issues**; schoolchildren are facing critical relationship with authorities as well as parents that uncalled for. More and more problems associated with grievances among family members that lead to social unrest.

Industries that will outshine the others are the **IT and computers** related industries. **Banking and financial** sectors will also benefit with the increasing of mergers and acquisitions activities. **Travel and logistics** industries should be on the rise and enjoy a fruitful year.

Southwest and East areas of your country will enjoy the growth this year, search around for opportunities there early and you might be able to enjoy the progress of this year's growth. Avoid Central and Northeast areas that might create problems for your business.

### **Auspicious Locations with Red Color (see below table)**

1. The West sector is conducive for achieving academic excellence with **4-Green star**. Therefore, if you want to improve your academic qualities, this sector should be used for your bedroom or study room. ***To further strengthen such energy, you should place four lucky bamboo trees, four small plants or four wood calligraphy pens in this sector.*** However, since san-sak bad star is located here, this area should not be disturbed with renovations or place any moving items like clock, water fountains, bell etc that might ignite the unkind energies.
2. The East sector with a **9-Purple star** is conducive for events related to 'happiness' and 'celebration'. Marriage, pregnancy, promotion and career advancement are in this category. This will be ideal if such a star falls in your bedroom or living room. ***To strengthen this energy, you can place a plant, nine red roses or red colored carpet this East sector.***
3. The Southeast sector with **1-White star** is related to harnessing relationships that can be of help in increasing wealth if you are not a salaried staff person. In other words, if you are doing business, or work as an agent or broker, you need to improve your relationships and thus your opportunities for pursuing leads and closing deals. ***Place either a cup of clean water or a music box in this sector.***

**The 6-White star**, located in the South sector, is ideal for skilled workers or technicians who want job stability. ***Place eight small white stones*** in this sector to strengthen such energies. Nevertheless, such energies will be diverted since frequent travel and constant changes in jobs requirement are required. **E-mail address of Mr. Kerby Kuek : [Kerby\\_kuek@yahoo.com.hk](mailto:Kerby_kuek@yahoo.com.hk)**
