## **Detail Reading**

### **NOSE (Ages 41 to 50)**

The period that the nose governs is from 41 to 50. For males, the nose represents his wealth, while for females the nose represents her spouse. A good nose is proportionate to the whole face and is without moles, 'breaks' or scars.

Noses are the location for self-esteem, self-respect and confidence.

#### **High nose**

A tall or high nose is a sign of self-esteem and self-centeredness. Nevertheless, a good leader normally has a high nose and protruding cheekbones.

#### **Short nose**

A person with a short nose is said to have low self-esteem and no confidence.

#### **Jewish nose**

Such a person has a nose whose tip points downward. Jewish people are famous for their enterprising skills. Such persons can have their own business ventures.

#### **Roman nose**

A nose with a break or bump in the nose bridge is called a Roman nose. Such persons are firm with their decisions and will not give way or yield in a quarrel. Such persons need to handle relationships with their spouse tactfully.

#### **Greek nose**

Such persons are perfectionists, constantly discontented, and as a result, are not happy with the status quo.

#### **Big nostrils**

Persons with big nostrils are unable to sustain wealth due to unforeseen circumstances that are beyond his or her control.

#### **Nose with bulging wings**

Such persons are able to sustain wealth as opposed to those with big nostrils. However, such persons are stubborn and will not follow the trend.

#### **Child nose**

These people have a low nose bridge while the nose tip points upward. A person with such a nose is lacking the determination and stamina to succeed.
