

**Newsletter volume 23rd 8<sup>th</sup> August- 7<sup>th</sup> September 2007,  
The Chinese Month of Monkey 戊申月**

**August 8<sup>th</sup>-September 7<sup>th</sup>**

**This is a month of monkey and Flying Star 5 arrives.**

Star 5 is the major sickness star in Flying Star theory. If you still recalled, this year the annual star in command is 2-illness star. These two stars combined can make the world into a chaotic situation! The stock market might dip to the lowest point of the year. The world will focal on health issues. An outbreak of health epidemic might happen this month! We also see some world prominent leaders either stepping down or pass away.

**Summary:**

**Kind Sectors: South/North/Northeast**

**Unkind Sectors: Southwest/East**

**FENG SHUI**

楊筠松天玉經說: 龍要合向向合水,水合三吉位

Master Yang in his, *Heaven Jade Bible*, mentioned that:

Dragon, Water and Direction (of the water flow) must be in line, the sequence of water flow must in the order of small (less drastic) to medium (normal) to large (drastic). This good combination produces KIND energies while the reverse of such setting will result in UNKIND energies.

**FACE READING**

**What does that behavior mean?**

**Person that constantly blinks when talking to you**

Such person is rather emotional and constantly accessing their memory because they want to make a perfect presentation to you.

**Person that moves his or her fingers while talking to you**

Such a person is uptight but fast in action and thinking.

**Person that likes to touch his or her nose while talking to you**

Such a person is an impatient person but open-minded.

**Person that likes to touch his or her chin while talking to you**

When alone, such a person is thinking; however, when communicating with others such a person is mimicking that he or she is deep in thought. This is done purposely.

**Person that likes to lick his or her upper lip while talking to you**

Such a person is rather insecure because this is a reaction of nervousness.

**Person that likes to lick and bite his or her lower lip**

Such a person is feeling pressure and knows his or her ability is threatened.

**Person that likes to drag his or her feet while walking**

Such a person is passive, self-centered and not satisfied with the current situation.

**Person that is constantly changing his or her hairstyle**

This indicates a person who is willing to learn new things and is likely to tolerate or give-in during an intense argument.

**Person that likes to talk to himself or herself**

Such a person is kind-hearted but has a rather reactive personality. Such a person will not seek help when in trouble.

**Are you a good mummy?**

**1. Round face**

A mother with a round face is more family-oriented as opposed to a sharp-faced mother that is unlikely to stick around the home. The care of well-being of children is a critical factor for a round-faced mother.

**2. Fine or thin eyebrows**

Too thick eyebrows indicate a mother who is careless and inattentive to details. A fine-eyebrow mother will constantly pay attention to the needs of her kids.

**3. Firm and caring eyes (not too small)**

Firm and caring eyes, as opposed to ferocious eyes, are more accepted by children indeed.

**4. Nice nose bridge (not too high)**

Too high of a nose bridge on a mother indicates that she will not accept her kids' ideas and more often than not create unnecessary and unwanted social problems for their kids.

**5. Proportionate lips (not too thin)**

A mother with too thin lips is talkative and often would not seek to understand as much as to be understood.

**Are you a good daddy?**

**1. Fullness of chin**

Since the chin represents the later years of a person as well as the offspring's ability to unite family relationships, the fullness of a chin signifies that a male will have better family-gathering abilities and values.

**2. Rather flat cheekbones**

Flat cheekbones mean that a person will not get angry easily. A father with such cheekbones will care

much about his children's upbringing without using unnecessary force.

### 3. Big eyes

A father with big eyes is more sensitive to his children's well-being and does not resort to using unnecessary force. Fathers with big eyes like to reason with their kids.

### 4. Nose bridge without any breaks or bumps

Such a father has close family relationships and values.

### 5. Low nose bridge

A father with a lower nose bridge will accept his children's' opinions and ideas more openly, thus creating a better camaraderie among family members.

### 6. Higher Hairline

A father with a higher hairline is more analytical and unbiased; therefore, such an attribute will be appreciated if you have many kids.

## Five ways to find the right employees

### 1. Ears are higher than eye level

A person whose ear level is higher than his or her eye level is able to produce better results since such a person is determined to succeed and is enterprising.

### 2. Long eye socket

A person with longer eye sockets is able to think things through thoroughly and perform with grace under pressure.

### 3. Eyebrows longer than eyes

This is similar to a person with longer eye sockets. He or she tends to be an attentive and careful person when it comes to pressure or predicaments at work.

### 4. Big earlobes

A person with big earlobes is able to cool down and control him or herself when it comes to confrontations. During the heat of the moment in a quarrel or in confrontations, such a person will be able to foresee things and events with tact and care.

### 5. Thick lips and wider mouth

A person with thick lips and a wider mouth is loyal to organizations or bosses that treat him or her well. Such a person is said to believe that loyalty will earn respect and honor for him or her.

## Five ways to find the right boss

### 1. Watery eyes

Such a boss is believed to be an indecisive boss when it comes to critical decision-making and becomes emotional when confronted. Such a person will avoid responsibilities.

### 2. Uneven eyebrows

If the left and right eyebrows are not in line, such a person is similar to a person with watery eyes that tends to uphold uncertain principles and be indecisive when it comes to decision-making.

**3. Small nose with breaks**

Since the nose signifies a person's ability to sustain and manage wealth, a bigger-nosed person will be able to sustain and manage wealth properly when there is a downturn or when encountering difficulties.

**4. Short forehead**

The forehead signifies a person's ability to get help or support from all sources. A person with a high and wider forehead will get help easily when there is a downturn or when encountering difficulties in life.

**5. Narrow chin**

The chin signifies a person's subordinates and late-life stage. A round-chinned person will take good care of his or her subordinates through good and bad times.

**LEARNING CYCLE**

Stages of learning to build habitual skills -

1. Unconscious In Competence
2. Conscious Incompetence
3. Conscious Competence
4. Unconscious Competence

**SENSORY ACUITY**

The process of learning to make finer and more useful distinctions about the sense information we get from the world.

**The Book of Tao by Laotze-Tao The Ching**

**Chapter Seven**

Impartial Mind

The Universe is everlasting.

The reason why the universe is everlasting is that it does not live for self.

Therefore the Sage cares for other first and puts his own affairs last,

Therefore, he finds himself in the foremost place.

He knows his body is not permanent.

Therefore he keeps his original soul and spirit pure. In this way, his true self exists forever.

Is it not because he does not live for self that his true self is realized?

**Chapter Eight**

**Best Deeds like Water**

The best of men is like water

Water gives benefit to all things

And does not compete with them

It stays in places hated by all men

Therefore, it comes close to Tao

In his residence, the Sage can adjust the situation and live in harmony.

In his mind, his life is profound,

In his relation with others, he is benevolent,

In his words, he keeps faith and sincerity.

## misterfengshui.com 風水先生

In government, he loves peace and order  
In affairs, he loves to choose able persons.  
In his actions, he likes to choose the right time to fit in the nature.  
He does not strive with others  
Therefore, he is free from blame.

### Chapter 9

Wisdom and Behaviors of a Person

A for holding anything to fullness or extremity; ' It would be better to stop in time.  
Keep on sharpening a sword; ' we see that the edge cannot last long.  
When your hall is proud with wealth and honor, you are on the way to get disaster.  
Retire in time when you have done your work with great success.  
This is the Heaven's way
