

Xuan Kong Zhang Pai School of Law and Principles

Xuan Kong palm of transformation, after adjustment, one can feel the changes but can't detect the causes, can hear the adjusted result but could not find the root. Down to minuscule details are the processes that can prevent from being destructed. Natural flows of kind and harmony energies are the outcomes. From novice to intermediate level, the process of transformation and differentiation is in effect.

The practicing Xuan Kong Palm is extraordinary, it could uses 'emptiness and solidness', 'dynamism and static', 'high and low', 'narrowness and broadness' to transform gases into energies, or course to our advantage. From naked eyes we can't detect the flaws and unkind energies, nevertheless, Xuan Kong Palm adoption method act like a steelyard/scale to specifically identify such mishaps in a natural ways and means. Identifying Yang will let you understand the Yin, weighting the dynamism will know the static and so on, by doing so, we will be able to have the remedy of tools to solve the shortfall and identify changes. The only thing that is constant is change.

To understand the dynamic environment of change by utilizing the essence of Xuan Kong Palm is not easy but is possible if you put your heart into it.

玄空掌派理與法

玄空掌法至入化境,調整後,城有視之不見,聽之不聞,察之不覺.雖一分毫毛顯跡,斯如敵動之向,所能預防攻剋,自然炁順調和.蓋初步至進階,由一化三之理法,漸能入此化境.

習玄空掌派到至虛其神妙,能以空,實,動,靜,高,低,寬,窄,以氣換炁,能禦多數之凶,由斯觀之,絕非一二數之跡可取勝.玄空掌派納式如秤之準確,測量考察,如方如圓,自然活潑,引氣入炁,互相抵禦.須知空虛動靜高低寬窄,知陽能辨陰,知空能辨實,知動能辨靜,知隅能辨正,知陽能改陰,知空能改實,知動能改靜,知隅能改正,實我能自主,皆隨環境而動之變化.

此論句句切中要訣,絕無一字敷衍,是非聰明智慧之士,未領悟者,實恐所傳非矣!
