I-Ching & The World of Metaphysics

Date: February 24th 11th YEAR of 2009

President Barack Obama -Born August 4th 1961

At the age of 48 he got elected as president of America. This is a living example of a Kan Gua (艮) in Chinese metaphysic where younger people will rule the world in the period 8 (2004-2023) who say Chinese Metaphysic is superstitious!

His biggest challenge is not now but is in the summer 2009!!! Look at the below months of May, June and July! The stems and braches were not in his favour:

1. Chaotic White House/possible fire accidents
2. Political upheavals
3. Life at DANGER!

Nevertheless, **should he able to 'thrive through'** these three months, after August 8th, he would come out stronger and better. Hope he can make it through and let us pray!
