

## I-Ching & The World of Metaphysics

Date: June 6th 9am  
Objective: Dragon Searching Process  
Venue: Ma On San, Hong Kong  
Person Involved: Master Lau, Kerby Kuek and Jesse Ho

The panoramic view along the Sai Kong trunk road

Based on the water element we are able to trace to the site and of course with the help of the visible topography branching out of a mountain slope. And again we found the following unique tomb with 'flower' decoration.

We also found the site is interesting with flower decoration

The panoramic view of the site

Another panoramic view of a village that with strong dragon breathe

The name of the village is Kak Hang Tun

The meridian point already built as a 'temple' see below
