

### I-Ching & The World of Metaphysics

Date: June 6th 3pm  
Objective: Dragon Searching Process-Fei Ngo San  
Venue: Fei Ngo San, Hong Kong  
Person Involved: Master Lau, Kerby Kuek and Jesse Ho

Master Lau strongly believed that there should be a real meridian point by judging at the topographical structure of this area.

The searching process leads us to the following trail!

True enough we found a Chin era built tomb!

**We found another slightly above the Chin Era tomb!**

**The Panoramic view of the frontier.**

**Still searching hard for more sites.**

By sitting at the real meridian point we see magnificent scene

The nice topographical scene is spoiled by the power generation cable.

The road less traveled!
