with great power, comes great responsibility

I-Ching & The World of Metaphysics

Date: September 7th 2009

What in store for 2010?

a) **The Weather in the year 2010 is in trouble!**
Year 2010 will experience **abnormal and unusual changes in weather** and could lead to:

1. Drought
2. Food shortages

b) Another focal point for year 2010 is the major **Earthquake** in the **west**.

c) The increasing **road accidents** should be a concern of all.

Returning to Dao (歸道) will help you re-organize your thoughts and thus your life destiny
